Student's Name _____ Year of Graduation _____

At least **25 hours** of Christian service for a **non-profit organization** or **an individual with special needs** are required **per year** to graduate from St. Francis Borgia Regional High School. This is in keeping with the school's philosophy of working to **"promote Gospel values." Service hours must be turned in to Mrs. Riegel in Room 108, during the year in which the service is completed.** The value of this experience is in seeing the needs of others and learning to respond to them out of love and compassion. Each one of us can make a significant contribution to our world by becoming a person of service.
