

## Educational Practicum Participation Agreement

Student Name: \_\_\_\_\_

Students who participate in the Educational Practicum class will be providing tutoring and mentoring services in the community and at SFBRHS. This service will satisfy 40 of the 50 hours required to qualify for the A+ designation. The additional 10 hours required must be completed prior to participating in the Educational Practicum class. These hours can be tutoring/mentoring or job shadowing hours. All hours must be approved by an A+ coordinator.

Please Check all that apply:

- I understand that I will be responsible for transportation to/from tutoring
- I understand the A+ attendance requirements
- I understand the A+ GPA requirements
- I understand the A+ math requirements
- I understand the A+ citizenship requirements
- I have at least 10 A+ hours turned in and approved
- I have not completed the 10 hours of A+ hours required for participation, and understand that I will not be eligible to participate in Educational Practicum if this is not completed prior to the class beginning.
